First year classes for Medicos begin in GITAM

The orientation program for new MBBS batch (2017-18) at GITAM Institute of Medical Sciences and Research (GIMSR) commenced here on Tuesday at GITAM University. The students from 13 states participated in the program along with their parents on first day during inauguration. While addressing students and parents GITAM President Dr.MVVSMurhti emphasized the need of sincere efforts to understand the MBBS curriculum. He advised the parents to monitor the progress and behavior of their wards regularly by visiting the college and the hospital. He also mentioned that GITAM is committed to put all efforts to train the medicos to meet the international standards.

GITAM University Vice-Chancellor Prof.MSPrasada Rao mentioned that multidisciplinary approach is need in medical education to meet the present day requirements. He said that GITAM University is giving high priority to impart ethics in medical profession with value based education. GIMSR Principal Dr.SPRao informed that the university is distributing tabs which contain medical syllabus and year plan. He said that the GIMSR library is equipped with 50,000 digital text books and 2000 internationally reputed medical journals for ready reference. He mentioned that GIMSR medicos are doing prestigious ICMR research projects along with their undergraduate program which is a unique feature. GITAM Vice-President Prof.M.Gangadhara Rao, Pro Vice-Chancellor Prof.K.Sivaramakrishna, GIMSR Hospital Superintendent Dr.SVVaralakshmi and others participated in the program.
