ABOUT THE COURSE

The primary responsibility of faculty is not only to inspire students towards a higher vision but also create a strong sense of bonding between the institution and the students to nurture a stress-free holistic environment. To enhance the quality of life for the faculty members enabling them to introspect and learn techniques that imbibe ethics & morals in their teaching and help prepare students for active and successful participation in a modern society, producing individuals of high character, probity and honor. Proposed FDP is helping to imbibe the skills and competencies required to achieve goals directed by values, to maintain and enhance faculty effectiveness by inculcating dynamism and leadership qualities and to develop commitment and ethical approach towards work, and instill a sense of responsibility towards the institution. Also to enhance communication and soft skills, by introducing innovative teaching methodologies and developing an interpersonal connection with students.

To achieve this goal, Art of Living foundation is conducting this workshop through ATAL. They have been conducting leadership workshops for

- Corporates like World Bank, Reliance
- Bureaucrats like European parliament, UN,
- Educational organizations such as IITs, IIMs, AICTE
- Government organizations like FICCI

OBJECTIVES OF FDP

- To imbibe the skills and competencies required to achieve goals directed by values.
- To maintain and enhance faculty effectiveness by inculcating dynamism and leadership qualities.
- To develop commitment and ethical approach towards work, and instill a sense of responsibility towards the institution.
- To enhance communication and soft skills of the faculty by introducing innovative teaching methodologies and developing an interpersonal connection with students.

BENEFITS OF FDP

After completing the FDP, the faculty will itself feel the difference in terms of:

- Holistic Development
- Enhanced Potential
- Fair-mindedness and Patience
- Empathetic behavior & Optimistic attitude
- Dynamism and Commitment
- Increased Efficiency and Confidence
- Ethical Leadership & Risk-taking ability
- Enhanced Productivity and Team work
