Prof. Gouthama Rao Yeju

Vice - Chancellor (In-charge)

It is my honour and privilege to present this year's annual report, which marks yet another productive year in our transformation journey. Our progress is evident across all key aspects of our university, showcasing our commitment to excellence and growth.

Our rebranding initiative is a crucial step in aligning with our new vision of becoming an exceptional, knowledge-driven institution that advances on a culture of honesty and compassion to make a difference to the world. This exercise represents our renewed effort to building a future-ready institution that resonates with stakeholders and reinforces our core values and mission.

We have also increased the allocation of funds for merit- and need-based scholarships to support and empower talented students from diverse backgrounds. Our continued emphasis on holistic student development ensures that we provide an environment that nurtures academic achievements and personal growth, leadership, and societal contributions.

Our commitment to forging strategic partnerships with leading universities in India and overseas and with key players in the industry is already yielding valuable collaborations that enrich our research, curriculum, and student development initiatives. These partnerships broaden our academic horizons and prepare our students for impactful careers in an increasingly interconnected world.

Promoting high-quality research remains our top priority. We have continued investing significantly in setting up cutting-edge research laboratories to foster innovation and discovery.

Our institution is making steady progress in implementing the National Education Policy (NEP), ensuring that our educational practices align with national priorities and global standards. By embracing the NEP, we continue to foster interdisciplinary learning, research, and innovation that prepare our students for a rapidly evolving world.

We are also taking decisive steps to streamline administrative policies to achieve a transparent and seamless administration. We aim to foster a culture of trust and collaboration by creating a framework that prioritizes openness, accountability and efficiency. Furthermore, we are committed to empowering young leaders by encouraging their active participation in key decision-making processes.

The year gone by presented challenges in placements due to macroeconomic factors beyond our control. However, I am pleased to report that over 2,000 students secured placements despite these external pressures - a testament to the resilience of our students, the strength of our academic and training programs and the hard work of our placement team.

We remain committed to achieving diversity and inclusivity in all spheres of our operations to provide an outstanding student experience that will prepare them as responsible global citizens.

We remain steadfast in our commitment to making a meaningful difference to the world we live in. I am confident that with the unwavering support of our faculty, staff, students, alumni, parents, and other key stakeholders we will achieve even greater heights in the years to come.

We wish to place on record the unwavering support received from Sri M. Sribharat, President, GITAM, Prof M. Gangadhara Rao, Vice President, GITAM, Sri M. Bharadwaj, Secretary, GITAM, Prof Virander Singh Chauhan, Chancellor, GITAM (Deemed to be University) and the members of the Academic Advisory Board and the Executive Council for their invaluable guidance and support.

2.2 About GITAM

Gandhi Institute of Technology and Management (GITAM) was established in 1980 with a College of Engineering (GITAM School of Technology) at Visakhapatnam. Over the years, a number of institutes/schools have been added, viz., GITAM School of Business, GITAM School of Science and GITAM School of Pharmacy. After attaining deemed to be university in August 2007 u/s 3 of the UGC Act, 1956, the university established the GITAM School of Architecture, GITAM School of Law, GITAM Institute of Medical Sciences and Research, GITAM Institute of Nursing, GITAM School of Humanities & Social Sciences, GITAM School of Physiotherapy and GITAM School of Paramedical Sciences at its Visakhapatnam Campus.

GITAM Hyderabad Campus, started in 2009, has seven constituent schools: GITAM School of Technology, GITAM School of Business, GITAM School of Science, GITAM School of Pharmacy, GITAM School of Architecture, GITAM School of Humanities & Social Sciences and Kautilya School of Public Policy.

GITAM Bengaluru Campus, started in 2012, has four constituent schools: GITAM School of Technology, GITAM School of Business, GITAM School of Science and GITAM School of Humanities & Social Sciences.

Recognizing the holistic education that the university is imparting, MHRD/UGC has classified GITAM as “Category-I Deemed to be University” and granted graded autonomy in 2018 and accreditation by NAAC with an ‘A++’ grade in 2023.

Recording steady growth, the university has evolved into one of the premier universities in the country. It consists of 4 campuses (2 campuses at Visakhapatnam and another 2 campuses at Hyderabad and Bengaluru), with 12 Schools/ institutions, 63 academic departments and 17 Research Centres.

With a multidisciplinary approach, the university has been offering 154 programmes at UG, PG and Doctoral levels in diverse disciplines: Engineering, Business, Science, Pharmacy,

Architecture, Humanities & Social Sciences, Law, Medicine, Nursing, Physiotherapy, Para Medical Sciences and Public Policy.

The university currently has around 27,000 regular students and 1,600 research scholars from different states of the country, pursuing different academic programmes. A good number of international students opted for GITAM (Deemed to be University) to pursue their education. At present, 430 students from 36 countries are pursuing various programmes at the University.

The university has a well-qualified and committed team of 1715 faculty members, most of whom have Ph.D. degrees with industrial background. The faculty members have undertaken significant research projects in crucial thrust areas with financial assistance from DST-SERB, DST-PURSE, DRDO, SPARC (MoE), DBT-BIRAC, DAE-BRNS, ICSSR, British Council, IIT-H (TiHAN), IIT-G (TiDF) etc. Apart from education and research pursuits, the faculty of the university meet national and global obligations in diverse ways.

The university has achieved an excellent placement record through campus recruitments, backed up by the quality of education imparted by the university and its reputation. Every year, a large number of students from GITAM are going abroad to pursue their higher studies. Our global alumni community facilitate higher studies and placement opportunities in the USA, Canada, Australia, etc.

The university is committed to its social responsibility and ensures that the outreach activities carried out by the faculty and students benefit the community at large. The faculty and research fellows have been actively participating in several national and international seminars, conferences and workshops.

17th Annual Report 2023-24

The establishment of the MURTI Research Centre at GITAM-Bengaluru is another landmark for research and development initiatives. The university's research and consultancy expertise translate into tangible benefits for the industry and the community. The research papers published by the faculty in Scopus and Web of Science-indexed journals are testimony to GITAM's vibrant research culture.

Drawing inspiration from its steady growth and promising performance, GITAM is planning to accelerate its journey with avowed commitment to realize its renewed Vision of 'advancing on a culture of honesty and compassion to make a difference to the world'.

GITAM wants to further widen its horizon so as to serve learners from across the continents. In its pursuit to match international standards, GITAM is trying to attract the best faculty trained in institutes of repute and industry and also augment the physical infrastructure.

GITAM is committed to creating research laboratories and digital library facilities to foster its research culture. Best practices in industry and academia are integrated and through institute – industry interface students are trained to become future ready.

Through a rigorous admission test, GITAM is getting the best student pool who are trained to address the changing and challenging needs of academia and industry. Handsome scholarships are offered to the meritorious.

GITAM wants to ensure a cosmopolitan environment on all its campuses so that a student or teacher from any corner of the globe should feel at home.

2.3 Logo of GITAM

Aigned to Vision

Signifies **growth** and **compassion**.

The two colours in our visual identity - **evergreen and antique white**.

Evergreen connotes youth, freshness and an enduring nature - all desirable aspects in line with our new Vision. Antique white represents our timeless elegance, rich legacy.

The new identity nurtures, its methodology **gentle, firm and rooted** - yet branching out toward the **contemporary**, echoing the student's **multidisciplinary journey** of **learning** and **taking flight**.

GITAM's promise now takes on a new form, to embrace a new world of limitless possibilities, as boundless as our **students' valuable futures**.

To **make a difference to the world** through our **pursuit of knowledge** and with **compassion**.

2.4 Vision & Mission

Vision

GITAM will be an exceptional knowledge-driven institution advancing on a culture of honesty and compassion to make a difference to the world.

Mission

-  Build a dynamic, application-oriented ecosystem immersed in holistic development.
-  Drive impactful integrated research programmes to generate new knowledge guided by integrity, collaboration, and entrepreneurial spirit.
-  Nurture valuable futures with global perspectives for our students by helping them find their ikigai.
-  Permeate a culture of kindness within GITAM, fostering passionate contributors.

3. Highlights of the Year 2023-24

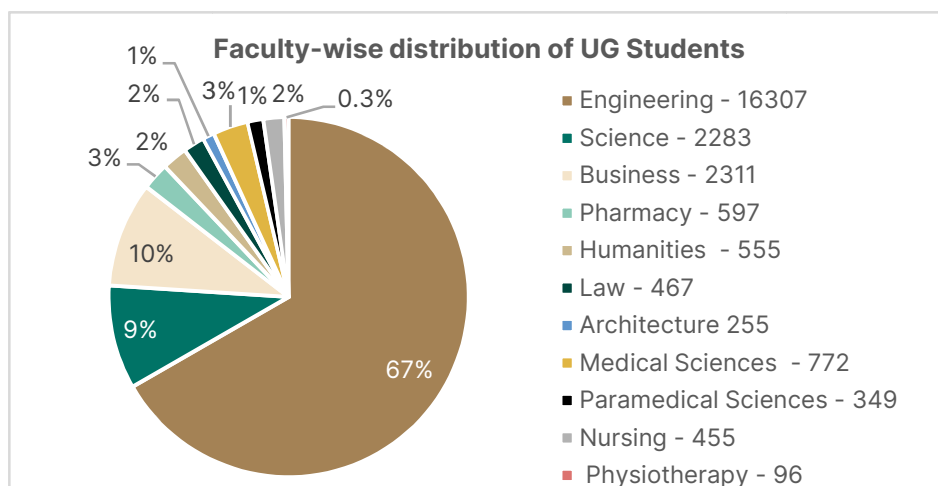

The University takes pride that in its journey of 17 years, it has progressed significantly in the right direction under able leaderships and by virtue of systematic and coordinated efforts of all the stakeholders. Some of the important events of the year 2023-24 are given hereunder:

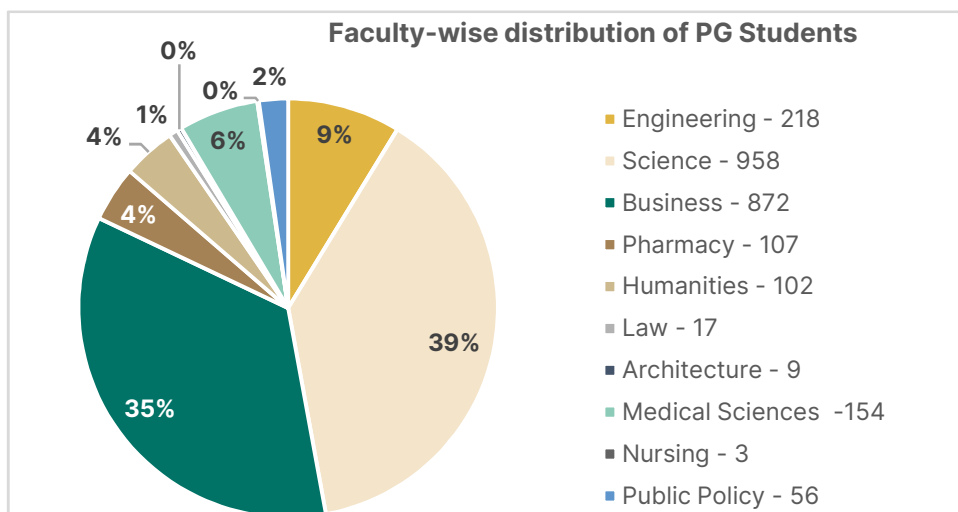

Academic Programmes

- The University offers more than 150 Undergraduate, Postgraduate, and Doctoral programmes in diverse fields such as Engineering, Science, Management, Pharmacy, Architecture, Law, Humanities & Social Sciences, Medicine, Nursing, Physiotherapy, Paramedical Sciences and Public Policy.
- During the academic year 2023-24, GITAM has introduced a 4year Undergraduate Degree (Honours) programme in BA, BBA and B.Sc. in line with the recommendation of NEP 2020. The School of Law, Visakhapatnam Campus and the School of Public Policy, Hyderabad Campus have started Ph.D. programme. This year, the University has launched **three** new programmes in M.A. English, B.A. and B.Com. through Open and Distance Learning as approved by the University Grants Commission (UGC).

Student Enrolment and Graduation

- GITAM is attracting quality students from across all states of the nation for its Bachelor’s, Master’s and Doctoral programmes. GITAM Admission Test (GAT) – 2023 is conducted online at 80 centres across India by the Directorate of Admissions for admission to UG & PG programmes offered at Visakhapatnam, Hyderabad and Bengaluru Campuses. In the year 2023-24, a total of 7786 (UG: 6520, PG: 1266) students were admitted to the University. About 90% of them were admitted through GITAM Admission Test (GAT), and the rest of the 10% students are drawn from the rank holders of National Entrance Tests such as NEET, JEE, CUET, AP-EAPCET, Telangana-EAMCET and K-CET.
- At present, the total student strength in the university pursuing UG and PG programs is 26,905 (UG:24403, PG:2502).

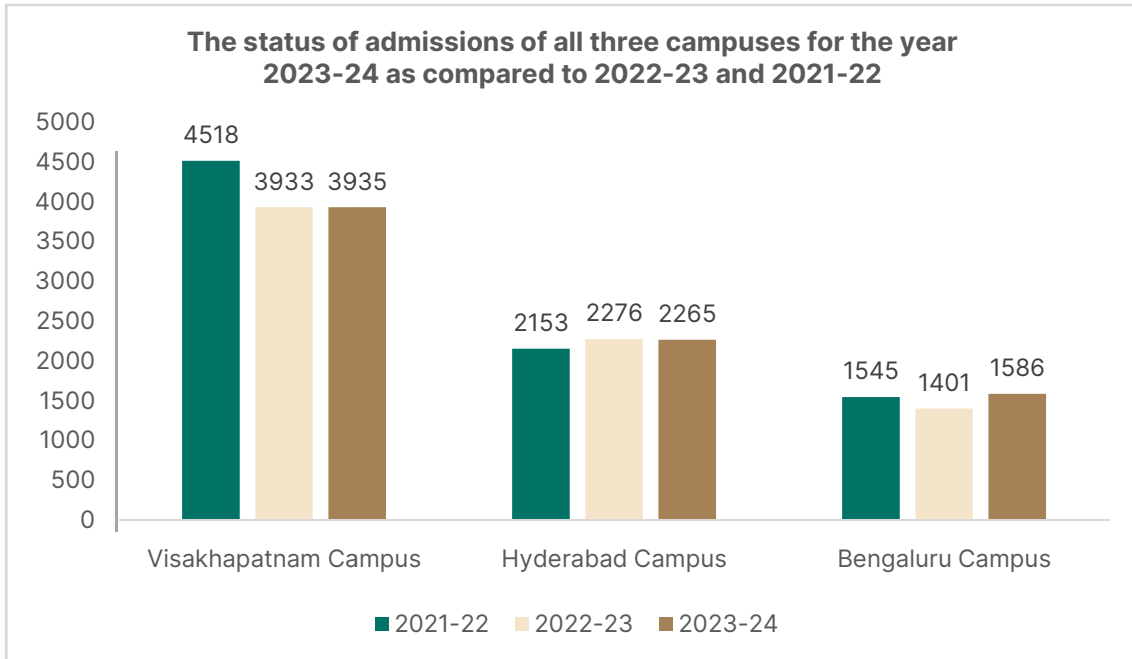

- Following Table gives the details regarding admissions in different courses offered by the Schools /Institutes of all the three Campuses for the Academic Year 2023-24 as compared to 2022-23 and 2021-22.

- Doctorate (Ph.D) Programmes:** The University offers research opportunities for doctoral research in all its Departments of Schools. During the year, 137 Ph.D. students were admitted into full-time and extramural research through the GITAM Research Entrance Test (GRET) conducted by the Research & Development Cell of the University. The total number of Ph.D. scholars on rolls is 1598 (full-time: 254, part-time:1290 and extramural research: 54).
- In its 44 years of existence, more than 76,000 students have graduated from all the three campuses in various disciplines. As an affiliated institution, it has produced a total of 17,878 graduates. After attaining the Deemed to be University status, from the Academic Year 2007-08, to the present Academic Year 2023-24 a total of 58,409 students were graduated with Bachelor's and Master's Degrees from GITAM. In addition to these UG and PG students, 993 research scholars were awarded with Ph.D. Degrees.

International Students

A good number of international students opted for GITAM (Deemed to be University) to pursue their education. During the year 2023-24, 132 students were admitted to various disciplines on all the three campuses. At present, 430 students from 36 countries (Viz., Zimbabwe, Zambia, Yemen, Uganda, USA, UAE, Turkmenistan, Thailand, Tanzania, Taiwan, Syria, Sudan, South Sudan, Somalia, Saudi Arabia, Rwanda, Qatar, Philippines, Palestine, Oman, Nigeria, Nepal, Namibia, Mauritius, Liberia, Kuwait, Kenya, Iran, Indonesia, Ghana, Ethiopia, Canada, Cameroon, Bhutan, Bangladesh and Afghanistan) are pursuing various programmes in the University. The Ministry of Commerce & Industry, Govt. of

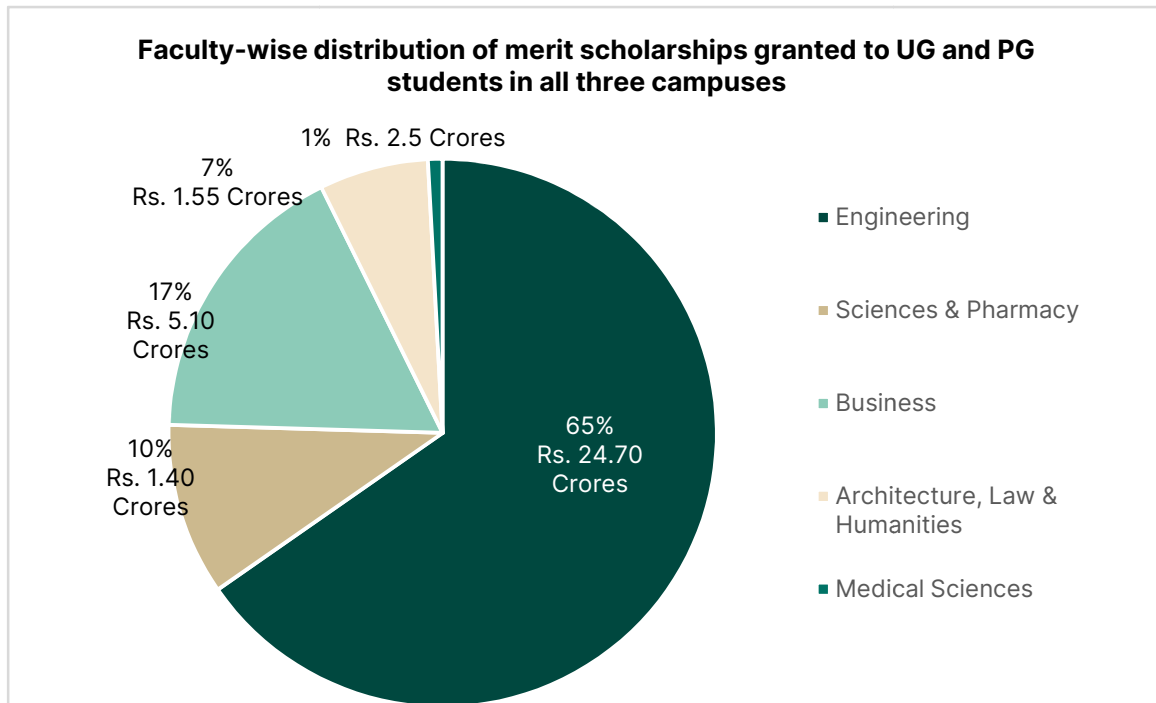

International Students actively participated in the event - Spring Fest 2023

India, has recognized GITAM (Deemed to be University) as one of the prominent universities to receive international students. The Government of India through EdCIL sponsored 25 students from Syria and 4 students from Nepal under various scholarships programs. One of them is 100% visually challenged. With the addition of new students during the year 2023-24, GITAM has now 430 international students on rolls. It may be noted that although the **Study-in-India Scholarship program is discontinued by Govt. of India,with proactive measures, GITAM could sustain its growth in the number of international admissions in this yearby attracting 95 new self-paying students.**

Scholarships and Fellowships

- GITAM provides a good number of scholarships and fellowships for UG, PG and Ph.D. students. During this academic year, the University granted 5296 scholarships in the form of fee concession based on their performance in Entrance Test as well as their

CGPA in subsequent semester end examinations. A total of 3443 students received merit scholarships and 163 scholarships were given to the children of GITAM employees. GITAM alumni or their children received 1620 scholarships. Further, nearly 70 students were given scholarships for their exemplary performance in sports and other extracurricular activities.

- Murthi Junior Research Fellowships (Rs.25,000/- per month) and Murthi Excellence Research Fellowships (Rs.40,000/- per month) are being offered to the top rankers of the GITAM Research Entrance Test for admission to the Full-time Ph.D. programme. During this academic year, the University disbursed Rs.3.0 Crores for the selected 80 Ph.D. students towards research fellowships.

Curriculum Development

The University successfully implemented the Choice Based Credit System (CBCS). This system offers students greater learning flexibility through a diverse array of subject options. Additionally, it incorporates skill development courses, aligning with the dynamic requirements of the industry, economy and society.

The Academic Council of the University is constantly engaged in reviewing & approving new courses and to improve the curriculum at the Undergraduate and Postgraduate levels. In this academic year, a significant development took place in revising the curriculum for undergraduate programmes aimed at providing students with more flexible, comprehensive academic and interdisciplinary learning consisting of major subject core and minor courses. Graduates enrolled in GITAM have an opportunity to follow a true cafeteria approach while choosing majors and minors in support of the National Credit Framework for the implementation of NEP 2020.

Venture Development is an inclusive aspect of the GITAM curriculum. GITAM has collaborated with Northeastern University, Boston, USA to deliver pre-incubation programmes and a mandatory 2-credit course for all fresh students joining GITAM.

Teaching-Learning and Evaluation

- To ensure a comprehensive learning environment at all the three Campuses, the management of GITAM provided world-class infrastructure, state-of-the-art laboratories and research facilities.
- The University developed the technology to

customize pedagogy and embrace student centric learning strategies. About 40% of classrooms were converted into smart classrooms, transforming the digital landscape in teaching and learning methods. GITAM has subscribed to online teaching resources like Coursera, NPTEL and SWAYAM. Students of GITAM gain free access to these online learning resources. The entire university examination system has been digitalized this year by the CATS.

- The University has conducted both semester-end examinations and the results have been declared on time to facilitate placements or pursue higher studies. The examination results of the graduate students from all the three campuses of the University in 2023-24 are detailed below:

Faculty Growth

- To meet the increased workload in academic departments, the University has been continuously increasing the faculty strength in various disciplines. During the year 2023-24, 363 faculty members (29 Professors, 24 Associate Professors, 222 Assistant Professors and 83 others) have joined in various departments. In addition, two Distinguished Professors and three Professors of Practice were appointed exclusively to develop interdisciplinary research at GITAM.
- A total of 342 faculty members (3 Distinguished Professors, 49 Professors, 23 Associate Professors, 211 Assistant Professors, 19 Senior Residents, 6 Junior Residents and 31 Tutors) had left the University during the year due to various reasons.
- Two faculty members each have been promoted to Professor Cadre and to Associate Professor Cadre during the Academic Year 2023-24 in all the non-medical schools of all the three campuses. In respect of GIMSR, twenty two faculty members were promoted – 12 from Senior Resident to Assistant Professor; nine from Assistant Professor to Associate Professor and one from Associate Professor to Professor Cadre.
- The number of full-time faculty members on the rolls of the University had risen from 1656 to 1715 during the year comprising 10 Distinguished Professors, six Professors of

Practice, 171 Professors, 223 Associate Professors, 1167 Assistant Professors, six Teaching Assistants, 85 Senior Residents, five Junior Residents, 37 Tutors and 5 others in Medical Sciences.

The above bar diagram shows the faculty strength of all three campuses on rolls in the year 2023-24 as compared to the faculty strength of 2022-23 and 2021-22.

- ❖ The faculty members have been incentivized through pay revision and promotions. A system of multiple parameters for proper performance assessment, promotion and salary increase were implemented to the faculty members.

Research Activities

The Research and Development Cell (RDC) of the University acts as the central hub for planning and execution of various strategies to enhance research and consultancy. This encompasses diverse activities, including setting up new research facilities, partnering with various funding organizations, enabling technology transfers, handling Intellectual Property Rights (IPR), supervising Ph.D. programme, and cultivating collaborations with industry partners to explore joint research and consultancy ventures.

GITAM has witnessed impeccable growth in the R&D activities during the last two years. The establishment of the Multidisciplinary Unit of Research on Translational Initiatives (MURTI) at Visakhapatnam and Bengaluru campuses, which stand as a beacon of interdisciplinary research & innovation and acts as a catalyst for change in the University's research culture. The objective of MURTI is to create cross-disciplinary research hubs that are engaged in goal-oriented and time-bound translational initiatives. As part of this initiative, state-of-the-art laboratories tailored to specific campus requirements are being established, research clusters are being formed, and expert resources are being recruited to empower faculty members to conduct path-breaking research.

Research Publications:

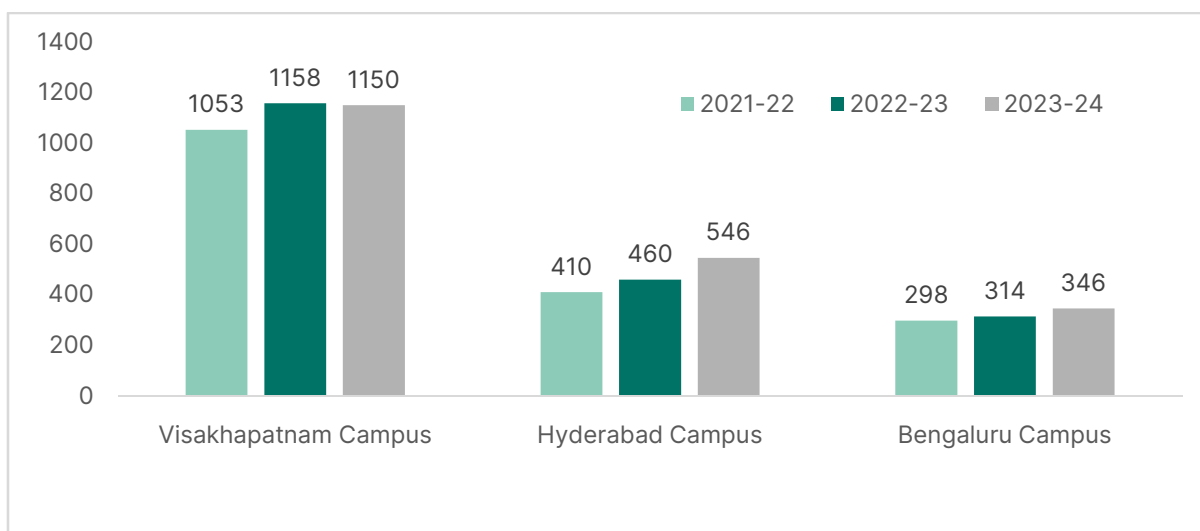

The faculty members at GITAM have published a total of 2,042 research papers during the year 2023-24 as compared to 1932 in 2022-23 as shown below:

Patents:

During the year, a total of 52 patents were published by the faculty in the fields of Architecture (4), Biochemistry (2) Chemistry (10), Civil Engineering (2), Computer Science and Engineering (22), Electronics and Communications Engineering (2), Mathematics (4), Pharmacy (4) and each one patent was granted to the School of Business and the School of Law.

PURSE program:

GITAM-Visakhapatnam has been selected for the flagship infrastructure program of DST to strengthen the research capacity of the University under "Promotion of University Research and Scientific Excellence (PURSE). The DST has sanctioned Rs. 13.43 crores (Funding pattern – DST share: 75%; GITAM share: 25%).

NIDHI-iTBI:

The National Expert Advisory Committee of DST has recommended the NIDHI – Inclusive Technology Business Incubator (i-TBI) on "Artificial Intelligence & Machine Learning (AI&ML)" with financial assistance of Rs.3.4 crores to be established at GITAM Visakhapatnam to support startups with promising ideas, innovations and technologies.

5G Technology:

The Department of Telecommunications (DoT), Govt. of India has selected GITAM-Visakhapatnam as one of 100 institutions across the country to establish 5G use case labs with a grant of Rs. 50 lakhs in advance research, development, and innovation in the field of 5G technologies.

Workshops/Conferences/Seminars:

The University organized several Workshops, Conferences, Seminars, and Faculty Development Programmes (FDP) during 2023-24. Prominent among them are:

- The Department of Electrical, Electronics, and Communication Engineering, GITAM School of Technology, Visakhapatnam and IIT-Guwahati jointly organized a workshop on “The importance of Machine Learning in VLSI Design and Image Processing”, from 26th to 30th June 2023.
- The Department of Chemistry, GITAM School of Science, Visakhapatnam and Qatar University, Doha jointly organized an International Conference on “Smart Nanotechnologies”, from 6th to 8th July 2023.
- The Department of Electrical, Electronics, and Communication Engineering, GITAM School of Technology, Visakhapatnam organized a National Conference on “Controller Design and System Modelling”, on 10th July 2023.

Prof. Jaehwan Kim, Inha University, South Korea releasing the souvenir of the International Conference on "Smart Nanotechnologies" (6th to 8th July 2023)

Dr. Sunil Kumar Vuppala, Director-Data Science, Ericsson, Bengaluru addressing on “Artificial Intelligence & Data Science” (15th September 2023)

- The Department of Community Medicine, GITAM Institute of Medical Sciences and Research, Visakhapatnam organized a Conference jointly with Indian Public Health Association and the Indian Association of Preventive and Social Medicine on “Sustainable Development Goals for Better Health : How India is Spearheading Towards it ?”, from 1st to 3rd September 2023.
- GITAM School of Business, Bengaluru organized a workshop on “Empirical Research using micro-level data”, on 23rd September 2023.
- The Department of Biotechnology, GITAM School of Technology, Visakhapatnam organized a National Seminar on “Tailoring Stem Cells for Corneal Regeneration”, on 29th September 2023.
- The Department of Pediatrics, GITAM Institute of Medical Sciences and Research, Visakhapatnam organized a workshop for Nursing faculty and students on “Neonatal Resuscitation Program”, on 9th & 10th October 2023.
- The Department of Computer Science and Engineering, GITAM School of Technology, Bengaluru organized Hackfest-2023 on Code, Create & Conquer Unleash Your Brilliance”, from 13th to 15th October 2023.
- The Department of Business Analytics, GITAM School of Business, Bengaluru organized an online FDP on “Academic Excellence Industry – Academia interface”, on 4th November 2023.

- The Department of Dermatology, GITAM Institute of Medical Sciences and Research, Visakhapatnam organized a workshop on “Live Dermato–Surgery” in association with Cutaneous Surgeons of India (ACSI), on 7th November 2023.
- The Dept. of Electrical, Electronics and Communication Engineering, GITAM School of Technology, Bengaluru organized ATAL FDP on “Machine Learning approaches towards 5G/6G Mobile Networks” sponsored by AICTE, New Delhi, from 6th to 11th November 2023.
- GITAM School of Architecture, Visakhapatnam organized a workshop on “Charcoal Sketching on the frontier of Beach at Visakhapatnam”, from 19th to 26th November 2023.
- The Dept. of Electrical, Electronics and Communication Engineering, GITAM School of Technology, Hyderabad organized ATAL FDP on “Opportunity and Challenges for VLSI in IoT Applications” sponsored by AICTE, New Delhi, from 20th to 25th November 2023.
- The Department of Computer Science and Engineering, GITAM School of Technology, Bengaluru organized an International Conference on “Data Engineering and Machine Intelligence”, from 22nd to 24th November 2023.

Dr. D. Radhakrishna, Chairman, Tripura Electricity Regulatory Commission visited Projects Exhibition at GITAM School of Technology, Hyderabad (12th December 2023)

School of Humanities of GITAM-Bengaluru organized an International Conference on “Modernities Redefined: Perspectives from South Asia” (22nd& 23rd February)

- GITAM Institute of Nursing, Visakhapatnam organized a workshop on “Basic Life Support” in association with Indian Resuscitation Council Federation, on 24th& 25th November 2023.
- The Department of Mathematics, GITAM School of Science, Bengaluru organized a workshop on “Mathematical aspects of Plasmas & Bose Einstein condensates”, on 19th& 20th December 2023.
- The Department of Physics, GITAM School of Science, Visakhapatnam and Bhabha Atomic Research Centre (BARC) jointly organized a National Symposium on “Solid State Physics focused on quantum scale, photonics, and quantum materials” sponsored by DAE-BRNS, on 20th December 2023.
- GITAM School of Pharmacy, Visakhapatnam organized an International Conference on “Transformations in Health Care Research Prospects, Challenges and Sustenance”, from 1st to 3rd February 2024.
- The Directorate of Foreign Student Affairs, GITAM (Deemed to be University), Visakhapatnam organized an International Student Fest “SAMYUKTA-2024”, from 14th to 16th February 2024.

17th Annual Report 2023-24

- The Department of Psychology, GITAM School of Humanities and Social Sciences, Visakhapatnam organized a conference on “National Academy of Psychology for Interdisciplinary exchange and collaboration”, from 14th to 16th February 2024.
- GITAM School of Business, Visakhapatnam organized a workshop on “Micro-credit through Pradhan Mantri Mudra Yojana (PMMY)” encouraging female entrepreneurship, on 16th February 2024.
- The Department of Physics, GITAM School of Science, Visakhapatnam organized a conference jointly with the Indian Physics Association (IPA) on “National Quantum Mission with Technical Development”, on 1st March, 2024.
- GITAM School of Law, Visakhapatnam organized a workshop on “Clinical Legal Education: Hands-on training in court filing”, from 1st to 3rd March 2024.
- The Directorate of Security, GITAM (Deemed to be University), Visakhapatnam organized “National Security Week” for students and staff to create awareness on fire accidents, on 9th and 10th March 2024.

- G-Tech, GITAM (Deemed to be University), Visakhapatnam organized a workshop on Intellectual Property Rights (IPR), from 14th to 16th March 2024.
- The Department of Forensic Medicine, GITAM Institute of Medical Sciences and Research, Visakhapatnam organized a conference on “Role of Forensic Medicine Crucial in ensuring justice”, on 16th & 17th March 2024.
- The Department of Computer Science and Engineering, GITAM School of Technology, Hyderabad organized a workshop on “Research Methodology and Essentials”, from 20th to 23rd March 2024.
- The Department of Electrical, Electronics and Communication Engineering, GITAM School of Technology, Visakhapatnam organized jointly with the Institution of Electronics and Telecommunications (IETE) “A National Level Technical Workshop – ISQUARE-R 2024, on 22nd and 23rd March 2024.
- MURTI Research Centre, GITAM (Deemed to be University), Visakhapatnam organized a training program for faculty members on “Biomedical Research – using Mass Spectrometry Facility in Research Projects”, from 23rd to 26th March 2024.
- The Department of Dermatology, GITAM Institute of Medical Sciences and Research, Visakhapatnam organized a training programme on “Paediatric Dermatology (skin diseases in children)” in association with the Indian Association of Dermatologists, Venereologists and Leprologists, on 24th March 2024.
- The Department of Ophthalmology, GITAM Institute of Medical Sciences and Research, Visakhapatnam organized a training programme jointly with the Association of Ophthalmological society on “Glaucoma-cataract”, on 5th May 2024.
- The Department of Computer Science and Engineering, GITAM School of Technology, Hyderabad organized, Intel Unnati Industrial Training Program-2024 on “Artificial Intelligence”, from 6th to 10th May 2024.
- The Department of Computer Science and Engineering, GITAM School of Technology, Visakhapatnam organized a workshop on “Artificial Intelligence, Machine Learning, Deep Learning and Neural Networks”, on 13th & 14th June 2024.

Prof. R. Madhubala, Former Director, JNU, New Delhi releasing the souvenir of the Conference on “Sustainable Development Goals for Better Health” (2nd September 2023)

Prof. Gregg L. Semenza, Nobel Laureate, addressing “How to Shape the Future of Medicine with one of the Scientists Creating It” (28th February 2024)

Collaborations and Partnerships

- Over the years, GITAM established collaborations with many universities and industries in the areas of application oriented curriculum, academic-industry interaction, internships for students, training programs, entrepreneurial skills, innovation and startups, study abroad, student exchange, faculty mobility, joint research and consultancy projects.

MoU with Indian Navy for innovation & research in futuristic technologies - Defence (2nd February 2024)

Academic delegation led by Ms. Hilary MCGeachy, Australian Consul General visited on 10th August 2023

- During the year 2023-24, the University has signed MoUs with 48 universities / organizations in India and abroad. Some of the prominent MoUs of GITAM are with IIT-Hyderabad, University of Agricultural Sciences, (Bengaluru), CSIR-Indian Institute of

Chemical Technology (IICT-Hyderabad), CSIR-National Institute of Oceanography (NIO-Goa), Goa-Centre for Excellence in Intellectual Property (G-CEIP), ICAR-National Institute of Veterinary Epidemiology and Disease Informatics (NIVEDI-Bengaluru), Infosys (Bengaluru), Aurobindo Pharma Ltd. (Visakhapatnam), Pfizer-Health Care (Visakhapatnam), The Art of Living (Bengaluru), Indian Navy (Visakhapatnam), Northeastern University (USA), Pennsylvania State University (USA), Taylor’s University (Malaysia), University of Technology of Troyes (France) and Hong Bang International University (Vietnam) etc.,

Learning Resources:

Knowledge Resource Centre (KRC), Visakhapatnam Campus

- The Central Library (known as Knowledge Resource Center), is housed in a 5-story building having centrally air-conditioned facilities with state-of-the-art amenities that provide a good ambience to the students and faculty users for study.
- It holds over 37 lakh volumes, including titles (87,302), print books (2,61,213), e-books (35, 25, 180), print periodicals (159) – both national and international, e-journals (19,508), the latest editions of handbooks, directories, dictionaries, encyclopedias, ISI & IRC codes covering disciplines of engineering, science, management, international business, dental sciences, pharmacy, architecture, law, humanities & social sciences, medical sciences, nursing, physiotherapy and paramedical sciences.
- During 2023–24, the learning resources were added to the Central Library worth Rs. 6 crores. As on today, over 950 Ph.D. theses awarded by GITAM have been deposited in Shodganga and made available to the entire scholarly community in open access.
- The e-resources subscribed by the library can be accessed through the intranet and the internet. The entire campus is Wi-Fi enabled. This enables library users to access learning resources from anywhere on the campus.
- The libraries of all the constituent schools/institutes in all the GITAM campuses are fully automated and integrated with Union Catalogue KOHA. This Catalogue is user-friendly and made available online through the web-based, customizable KOHA Online Public Access Catalogue (OPAC) to the users.

Knowledge Resource Centre (KRC), Hyderabad Campus

- Knowledge Resource Centre at Hyderabad Campus is a fully air-conditioned facility with internet connectivity, a digital library, an e-learning Centre and reprographic services.
- The library holds resources consisting of titles (20,360), print books (1,04,914), e-books (35, 25, 180), print periodicals (149)-both national and international, and e-journals (19,508) and the latest editions of all types of reference resources like Handbooks, Directories, Dictionaries, Encyclopedias, ISI & IRC codes covering disciplines of engineering, science, management, pharmacy, architecture, humanities & social sciences and public policy. The library also maintains a spacious reading room with a seating capacity of more than 500 users at a time.
- The library provides both offline and online access to its resources. The e-resource subscribed by the library can be accessed through the intranet and the internet. The entire campus is Wi-Fi enabled. This enables library users to access library resources from anywhere on the campus.

Knowledge Resource Centre (KRC), Bengaluru Campus

- The Knowledge Resource Centre (KRC) at Bengaluru Campus is also fully air-conditioned, along with 24/7 internet connectivity, access to a digital library, an E-Learning Centre, and reprographic facilities.
- The collection of the library contains titles (4,227), print books (24, 484), e-books (35, 25, 180), print periodicals (67)-both national and international, e-journals (19,508), latest editions of reference collection covering Handbooks, Directories, and Dictionaries. It also maintains ISI & IRC codes covering engineering, science, management and humanities & social sciences.
- The e-resources subscribed by the library can be accessed through the intranet and the internet. The entire campus is Wi-Fi enabled. This enables library users to access library resources from anywhere on the campus.

E-Resources :

The E-Resources of all three Knowledge Resource Centres (KRC) are as follows:

- **E-Books:** McGraw-Hill, PHI, Cambridge Core, Wiley, Pearson, Edward Elgar, Proquest e-book central, IEEE Princeton University Press, CBS Publisher (Civil), World e-book Library.
- **E-Journals:** American Chemical Society (ACS), American Economic Association (AEA), American Institute of Physics (AioP), Annual Reviews, American Physical Society (APS), Bentham Science, Cambridge University Press, EBSCO (Business Source Primer and Medline), Emerald, Economic and Political Weekly (EPW), IEEE, Informs Pubs Online, Institute of Physics (IoP), JSTOR, Nature (Springer), Oxford University Press, Royal Society of Chemistry, Science Direct, Springer, Taylor & Francis, Wiley, Project Muse, Taxman, Brill and Sage.
- **E-Databases:** Scopus, JSTOR (Global Plants), J-Gate, Lexis-Nexis, SCC Online, Web of Science (WoS), Manupatra (Law), Sci-Finder, Journal of Citation Report, ACM, CMIE (for Hyderabad campus).
- **APC Waiver:** Wiley, Cambridge University press, ACM and Bentham Science
- **UGC Infonet:** Taylor & Francis, JCCC, J-Gate, and Oxford University Press.
- **Remote Access Tools:** Open Athens, INFED (INFLIBNET)
- **Discovery Services:** EBSCO – Discovery Services
- **Researcher Profiles:** IRINS
- **INFLIBNET:** Shodhganga, ShodhSudhi, IRINS
- **Plagiarism Checking Software:** Turnitin and Drillbit (INFLIBNET)
- **Audio and Video materials:** NPTEL and SONET
- **E-News Papers:** The Hindu and Business line
- **E-Magazines:** Frontline, Sports star
- **Digital repository:** KRC D-Space

The Knowledge Resource Centres (KRC) of all the campuses of GITAM have resource sharing with the following reputed Institutions:

- DELNET, New Delhi.
- IIM, Bangalore.
- Current Science (Life Membership)
- SuganyaPustakalaya (Divyang)
- National Digital Library of India (NDLI)

Outreach Activities

- The Department of Chemistry of GITAM School of Science, Visakhapatnam Campus is conducting an Industry-oriented B.Sc. Chemistry program sponsored by Pfizer Healthcare India Limited, Visakhapatnam to girl students selected from BPL families in rural areas to strengthen their vocational employability. The number of girl students admitted in this programme was: 2023-24: 102 students, 2022-23:120 students and 2021-22:49 students.

Prof. Y. Gouthama Rao, Pro Vice-Chancellor addressing the school kids (8th to 10th grade) to create awareness in diverse disciplines (27th May 2024)

Blood donation by the students of GITAM (Deemed to be University)

- On 7thSeptember, 2023, GITAM School of Science organized an “Open School Program” to introduce 12th grade students to various science programs offered at UG and PG level. Around 800 students of 12th grade from different institutions participated in this program. The faculty members engaged the participants by giving lectures and lab demos.
- GITAM organized a two week summer camp for school kids (8th to 10th Grade) from 27th May to 7th June to create awareness for schoolchildren in science, engineering, pharmacy, architecture and business fields. Around 700 students from different schools in Visakhapatnam participated in this program. Infrastructure Development

GITAM strategically invested substantial amount to improve its infrastructure to accelerate teaching and learning practices and to automate academic administration. During the year, the

High performance computing (HPC) facility in CATS

Management of GITAM has spent more than Rs. 250 crores towards infrastructure development as detailed below:

IT Infrastructure:

The Centre for Advanced Technology Solutions (CATS), established on each campus, manages the IT infrastructure and offers various IT-related services to assist members of staff and students at GITAM. CATS provides campus-wide computing, networking, storage, communications and instructional technology across all the campuses of GITAM. The high performance computing (HPC) facility in the centre consists of 100 teraflops computational power. All three campuses utilize the software services, whereas the hardware services are unique to each campus.

During 2023-24, the IT services of all the campuses have been upgraded as shown below:

- The existing high speed of 12 Gbps internet bandwidth has been increased to the twice high speed of 24 Gbps internet bandwidth with a cost of Rs. 4 crores spread across all the campuses to facilitate the exponential growth of online digital engagements.
- Acquired end point management tools and technologies that enable delivery of desktop services remotely and more effectively with a cost of Rs. 1 crore to ensure computing services, and optimization of resource utilization.
- The obsolete core network switches from all three campuses have been replaced with high speed core switches with a cost of Rs. 4.5 crores for effective network operations.
- CATS has designed and implemented advanced AV technology in 185 digital classrooms and won the “AV Technology Award 2023” in Asia Pacific Region by Inavate APAC Magazine, Bangkok, for implementing the smart class design first of its kind for GITAM.
- The University Examination System has been digitalized this year by the CATS. The evaluation process has been streamlined with the control software. This patent worthy, user friendly, in-house built technology has brought the malpractice cases to negligible.
- The obsolete desktops of 2100 as identified in all the computer labs of all the three campuses have been replaced by procuring new desktops (Intel Core i5 and i7 machines), with a cost of Rs.15.18 Crores, to facilitate the computer labs for students more effectively.
- CATS designed and implemented the new enhanced versions of the My-GITAM suite of software, i.e. G-Learn, G-Pay, G-Hospitality, G-Hospital etc., for running the university requirements of the academic and administrative marching GITAM towards a digital campus

Teaching Infrastructure:

- About 40% classrooms of all three campuses were converted into smart class rooms transforming the digital landscape in teaching and learning methods. During the year, the workstations for 855 faculty members (Visakhapatnam Campus – 500; and Hyderabad Campus – 355) were upgraded with a cost of Rs. 18 crores.

Research Infrastructure:

- During this academic year, GITAM invested Rs. 50 crores to improve research infrastructure. The establishment of Multidisciplinary Unit of Research on Translational Initiatives (MURTI) at Bengaluru Campus is another landmark for research development initiatives to focus on basic sciences, mobility technologies, materials and manufacturing, communication technologies, agriculture technologies and sensor technologies.
- The advanced instruments procured for research & development, driving scientific discoveries and technological breakthroughs that can benefit various industries and scientific domains with a wide range of applications. The prominent items added this year are Quantum Design Physical Property Measurement System – PPMS (Rs. 5.5

Atomic Absorption Spectroscopy (AAS)

crores), Confocal Laser Scanning Microscope –CLSM (Rs.2.6 crores), Fluorescence-Activated Cell Sorter – FACS (Rs.2.6 crores) and Multitec Ferroelectric Test system (Rs.1.5 crores) in MURTI Research Labs, Autonomous Vehicle Hardware & Software (Rs.

2.5 crores) and User Acceptance Testing (UAT) Machine (Rs. 1.5 crores) in Central Research Labs which facilitates the researchers and students.

Physical Infrastructure:

- Upgradation of School of Business: The academic block of the School of Business at Hyderabad campus has a built up area of 32,000 sq.ft. upgraded with a cost of Rs. 18 crores.
- At the Hyderabad Campus, the top floors of two hostel blocks, one for girls and one for boys were upgraded at a cost of Rs.4.00 Crores.
- Construction of Student Hostels: A 14-story twin-tower hostel for boys is being constructed to accommodate 2500 students with an estimated budget of Rs.140.00 Crores. During the year, the construction of one tower was completed at a cost of Rs.75.00 Crores and accommodated about 1100 students.
- Faculty Housing: A block (G+20 floors) of residential accommodation with 164 numbers of dwelling units is being constructed at Hyderabad Campus with the preliminary estimate cost of Rs.75.00 Crores. Presently, about 35% of work has been completed incurred with an amount of Rs. 26.00 Crores. The remaining part of construction work is in progress.
- Electricity Generated: GITAM has installed solar energy equipment with a cost of Rs.5.00 Crores and is generating 1.4 megawatts of solar energy (Visakhapatnam Campus: 1.0 MW; and Bengaluru Campus: 0.40 MW).
- Capacity of Electricity increased: Installed 33 KV Substation at Visakhapatnam Campus with a cost of Rs.14.00 Crores for transmitting the power from the grid line of AP State Power Generation with the increased capacity from the existing 3.0 to 5.8 megawatts required by the campus.

Special Mentions

Establishment of MURTI Research Centre at GITAM Bengaluru:

- The University has established the research centre for Multidisciplinary Unit of Research on Translational Initiatives (MURTI) aimed to address global challenges and drive innovation with six key focus areas: basic sciences, mobility technologies, materials and manufacturing, communication technologies, agriculture technologies and sensor technologies.

Mr. Christopher W. Hodges, Consul General of the U.S. Consulate, Chennai inaugurating the MURTI Research Centre at GITAM Bengaluru (28th February 2024)

Appointment of MURTI Faculty fellows:

- This policy aims to provide autonomy to high-performing faculty who wish to conduct in-depth research in their respective fields. The selected faculty members are provided an opportunity to be associated with MURTI (Multidisciplinary Unit of Research on Translational Initiatives) to carry out their research work. MURTI Faculty fellows will be relieved from the routine administrative responsibilities in their department and enable them to focus on research work. However, the MURTI Faculty fellows will be involved in teaching with a workload of 10 hours per week.
- During the year, 25 faculty members have been selected from the various departments of the university, as detailed below:

4.8 Accreditation & Ranking

- Category-I University:** MHRD/UGC has classified GITAM as “Category-I Deemed to be University” and granted ‘graded autonomy’ in 2018.
- NAAC Accreditation (Cycle-3):** NAAC accredited the GITAM (Deemed to be University) with an ‘A++’ grade (3.54 score on 4 point scale) in 2023 for a period of 7 years.
- UGC 12-B Status:** UGC recognized GITAM as a Research University and accorded 12 (B) Status to the University to receive research grants from various funding agencies.
- NIRF Ranking – 2023-24:** GITAM stood at 101-150 Rank in NIRF Rankings 2023 under University Category. The Overall ranking is 151-200 and Ranking in Innovation is 101-150.

5. **School wise NIRF Rankings 2023-24:** Engineering: 101-150, Management: 101-125 and Pharmacy: 48.
6. **Times Higher Education – World University Rankings – 2023-24:** GITAM achieved a 1501+ rank in Times Higher Education World University Rankings-2023. Young University Ranking: 401+, Emerging Economies Ranking: 501+, Subject Rankings - Computer Science and Engineering: 801+, Engineering & Technology: 1001+, Physical Sciences: 1001+ and Clinical & Health: 801+.
7. **Times Higher Education – Asia University Rankings – 2023-24:** GITAM achieved a 601+ rank in Times Higher Education – Asia University Rankings 2023.
8. **Times Higher Education – The India Ranking – 2023-24:** GITAM achieved 78th rank in Times Higher Education – The top universities in India 2024.
9. **Times Higher Education – The Impact Rankings - 2023-24:** GITAM achieved a 601-800 rank in the Overall world ranking - 2023. GITAM also achieved World Rankings in Sustainable Development Goals (SDG) – Clean Water & Sanitation: 301-400, Affordable & Clean Energy: 401-600, Industry, Innovation and Infrastructure: 401-600, Gender Equality: 601-800, Decent Work and Economic Growth: 601-800, Reduce Inequalities: 601-800, Good Health & Wellbeing: 801-1000 and Partnerships for Goals: 801-1000.
10. **QS-World University Rankings - 2023-24:** GITAM achieved a 1201+ rank in QS World University Rankings-2023. The QS-World Rankings in Sustainability on various aspects- Governance: 481, Environmental Sustainability: 649, Environmental Education: 1001+, Environmental Research: 1001+, Employability & Outcomes: 1001+, Equality: 1001+, Health & Well Being: 1001+, Impact of Education: 1001+, Knowledge Exchange: 1001+, Environmental Impact: 1001+, Social Impact: 1001+ and also GITAM achieved 62 world rank in “International Trade Rankings 2024”.
11. **QS-Asia University Rankings – 2023-24:** GITAM achieved an 801+ rank in QS Asia University Rankings – 2024. QS-Asia Rank in Sustainability is 390.
12. **QS-South Asia University Rankings – 2023-24:** GITAM achieved 258th rank in QS South Asia University Rankings – 2024.
13. **QS-India University Rankings – 2023-24:** GITAM achieved 134th rank in QS-India University Rankings – 2024. QS-India Rank in Sustainability is 47.
14. **UI Green Metric World University Rankings:** GITAM stood at 241 in the World’s Most Sustainable University Rankings 2023 and 7th among Indian Universities.
15. **Webo Metrics Ranking (Scopus):** GITAM stood at 2186 rank in Webo Metrics (Scopus) World University Ranking-2024. GITAM also achieved 763rd rank in Asia universities and 68th rank in India universities.
16. **ISO Certification:** GITAM (Deemed to be University), the main campus at Visakhapatnam and three off-campus at Hyderabad, Bengaluru and GIMSR, Visakhapatnam were certified by the TUV SUD – ISO 21001:2018 in February 2024, valid for a period of 3 years.
17. **Statutory Approvals:** The programs offered for the academic year 2023-24 with the approval of AICTE (Engineering, Management and MCA), CoA (Architecture), PCI (Pharmacy), INC (Nursing), NMC (Medical), IAP (Physiotherapy), APSAHPC (Paramedical), BCI (Law) and UGC (Science, Arts & Humanities).
18. **All India Survey on Higher Education (AISHE):** The Ministry of Education assigned codes for GITAM (Deemed to University) on the basis of the “All India Survey on Higher Education 2023-24” (The Main Campus code: U – 0011, Hyderabad Campus code: C – 65168, Bengaluru Campus code: C – 62061 and GIMSR Campus code: C – 69453).

11.	Dr. N. Janardhan	Enhancing the early prediction of depression in adolescent students using machine learning techniques based on speech recordings	Central University of Tamil Nadu	August 2023
12.	Dr. Mohan Gowda V Computer Science and Engineering	Development of Intelligent Assistive Techniques for Fall Detection and Activity Recognition of Alzheimer's Patients	Visvesvaraya Technological University Karnataka	August 2023
13.	Dr. Sandhya Vinayakam Computer Science and Engineering	fusion of sclera and periocular biometrics as an authentication system using deep learning	Osmania university Hyderabad	August 2023
14.	Dr. B. Sowjanya Computer Science and Engineering	Some Adaptive Approaches for Handwritten Character Recognition of Telugu Guninths Using Deep Neural Networks.	GITAM (Deemed to be University)	November 2023
15.	Dr. M. Kiran Kumar Computer Science and Engineering	Implementation of novel association rule hiding algorithm using fuzzy logic approach with privacy preserving in big data mining	Sri Satya Sai University of Technology and Medical Sciences Bhopal	December 2023
16.	Dr. T. Jhansi Rani Computer Science and Engineering	Development of machine learning algorithms for analysing the sentiment of tweets	JNTU Hyderabad	January 2024

17.	Dr. Anandan Computer Science and Engineering	An Effective Segmentation and Limbo Classification for Paddy Disease Detection Using Deep Learning.	Galgotias University Delhi NCR	February 2024
18.	Dr. Arjun K P Computer Science and Engineering	An Integrated Deep Neural Network Techniques for Detection and Classification of Melanoma	Galgotias University Delhi NCR	February 2024
19.	Dr. Deena Hijam Computer Science and Engineering	Convolutional Neural Network Assisted Off-line Handwritten Character recognition of Meitei Mayek	Tezpur University Assam	March 2024
20.	Dr. Bhanu Prasad Ikkurthi Computer Science and Engineering	Hierarchical Clustering Frameworks to attain Energy Efficiency with Load Balancing in Wireless Sensor Networks	NIT Meghalaya Shillong	March 2024
21.	Dr. A Gayatri Electrical, Electronics & Communication Engineering	Investigation of thinning on a planar array antenna for Wireless Communications	JNTU-K Kakinada	May 2023
22.	Dr. Sridevi Kadiyam Electrical, Electronics & Communication Engineering	Design and Performance Evaluation of Different Array Configurations of Smart antennas using non blind and metaheuristic algorithms	Acharya Nagarjuna University	June 2023
23.	Dr. S Durga Padmaja Bikkuri Electrical, Electronics & Communication Engineering	Investigation on Artificial engineered surfaces for controlling the properties of EM wave	Acharya Nagarjuna University Guntur	July 2023
24.	Dr. Ch. Praveen Kumar Electrical, Electronics & Communication Engineering	Crosstalk induced effects And performance analysis Of on chip vlsi Interconnects	Osmania University Hyderabad	August 2023
25.	Dr. N V L Murali Krishna Electrical, Electronics & Communication Engineering	Implementation of Smart hybrid deep learning models for heart disease monitoring	Andhra University Visakhapatnam	Septemb er 2023
26.	Dr. A Jagadeesh Electrical, Electronics & Communication Engineering	Design and Analysis of Spacers in Gas insulated Systems under various imperfections.	JNTU-K Kakinada	February 2024

27.	Dr. Prafulla Kumar Swain Mechanical Engineering	Flight Maneuver of Dragonfly and its Application on Tandem Flapping Foil	GITAM (Deemed to be University)	April 2023
28.	Mr. A. Sridhar Mechanical Engineering	Synthesis, characterization, mechanical and tribological properties of al 7075/sic/graphite hybrid metal matrix composites	JNTU-H Hyderabad	July 2023
29.	Mr. B. Bhasker Mechanical Engineering	Influence of surface texture on the performance of non-circular journal bearing	Osmania University Hyderabad	December 2023
30.	Mr. Jagadeshwar. K Mechanical Engineering	Experimental and numerical investigation on cavitating flow past axisymmetric bodies	Osmania University Hyderabad	January 2024
31.	Dr. Rajasekhar S Mechanical Engineering	Fabrication and Characterisation of AA7075/GR/SIC/FA Hybrid MMC and its application in friction stir welding	Andhra University Visakhapatnam	February 2024
32.	Dr. Rajesh Kumar Dora Mechanical Engineering	Effect of Laser Shock Peening on Microstructure and Fatigue behavior of Nitinol Shape Memory Alloy	IIT Bhubaneswar	March 2024
33.	Mr. V. Naveen Kumar Mechanical Engineering	Preparation and characterization of al6061 based nano silica nano composite	Osmania University Hyderabad	April 2024
34.	Mr. Rafi-Uz-Zama Shaik Mechanical Engineering	Computational analysis on solar air heater with combination of alternate dimple protrusions and intrusions for absorber plate with triangular duct	GITAM (Deemed to be University)	April 2024

2.	Dr. Santosh Kumar Uppada Computer Science	Machine Learning and User Social Engagement-Based Approaches for Fake News/ Fake Accounts Detection in OSNIIT-DM Kancheepuram	IIIT - Design and Manufacturing Kancheepuram Tamil Nadu	August 2023

10. Research (Ph.D. degree) Guidance by Faculty:

S.No	Name of the Supervisor (S)	Title of the Thesis	Name of the Scholar	Month & Year of Award
1.	Dr. V. Nagaradhika Mathematics	Some Mathematical Models for MHD Flows in Micro-Channels	Ramanuja. M	June 2023
2.	Prof.N. Vamsi Krishna Mathematics	Thermodynamic Analysis of flow of Fluids with Microstructures	Ms.ShilpaSolleti	September 2023
3.	Dr. Sridhar Akiri Mathematics	A Comprehensive Study And Analysis of k-out-of-n Configuration of Integrated Redundant Reliability Model Using Heuristic and Dynamic Programming	V. Srinivasa Rao	November 2023
4.	Dr. D. Vamshee Krishna Mathematics	Certain Coefficient Bounds for specific subfamilies of Univalent and Multivalent Holomorphic Functions	N. Vani	December 2023
5.	Dr.M.V.R. Kameswari Mathematics	A study of Existence of Common Fixed Points for Self Maps in Diverse Metric Spaces	D.MK Kiran	February 2024
6.	Dr.P.Vijay Kumar Mathematics	Mathematical Models for Heat and Mass Transfer Characteristics of Non-Newtonian Nanofluids	Ms. C. Sunitha	February 2024
7.	Dr.Siva Reddy Sheri Mathematics	Transient MHD Casson fluid flow problems:FEM	Mr.G.Shankar	March 2024
8.	Dr. Krishna Kumhari Mathematics	Some Contribution to Robust Interval -Valued Optimization problems	Ms. Rekha Raipet Jaichandar	March 2024

		Involving Uncertainty Constraints		
9.	Dr.Krishna Kumhari Mathematics	Study of Interval -Valued programming problems Via Generalized Convexity	Ms.Jamala Rani	March 2024
10.	Dr. N. Sreedhar Mathematics	Existence of Positive solutions of Higher order boundary value problems involving p-Laplacian operator	Mr. Ronanki Ravisankar	March 2024
11.	Dr. C.S.K. Raju Mathematics	Lie Group Transformations on The Conducting Flows with Suspended Hybrid Nanoparticles	Maddina Dinesh Kumar	April 2024
12.	Dr.Ch.Ravishankar Kumar Physics	Synthesis and Design of Schiff Base Molecules for Spectroscopic, Electronic, Optical Properties and its Validation with the DFT Method	M. Prasanti	May 2023
13.	Dr S Ramesh Physics	Structure, Morphology and Negative Dielectric Behavior of Nanocomposites	A. Mallikarjuna	July 2023
14.	Dr. P Gopala Krishna Physics	Nonlinear optical studies of silver nanowires, pure platinum, aluminum/silver doped platinum-alloy nanospheres using the Z-scan technique	Rambabu Allu	October 2023
15.	Dr. R. Balaji Rao Physics	Design and development of Na-ionfull cell using glass and glass –Ceramic electrodes and electrolyte materials	Mr.Katta Vamsi Krishna	October 2023
16.	Dr. P Gopala Krishna Physics	Fabrication of plasmonic /semiconductor Nano materials via ultrafast laser ablation for optical and spectroscopic applications	Ravi Kiran Avasarala	February 2024
17.	DR. R. Balaji Rao Physics	Investigation on Na ₂ O-Bi ₂ O ₃ glass and glass-ceramic network with GeO ₂ and TiO ₂ additives as high –capacity anode for Na-ion batteries	Mrs.Y. Saritha Kumari	March 2024
18.	Dr. Ch. Sudhakar Chemistry	Functional group transformations by using transition metal catalysts for the synthesis of phenyl carbamates and THF derivatives	V. Manoj Kumar	June 2023

17thAnnual Report 2023-24

19.	Dr. A. Ratnamala Chemistry	Design, Synthesis and Characterisation of Supported Metal Sulphide Quantum Dots for Electrochemical Detection of Neurotransmitter and its Precursor	Mohammad Hasheena	June 2023
20.	Prof. G V R Sharma Chemistry	Development of Cost-effective and commercially viable approaches for Active Pharmaceutical Ingredients	PhaniSriramu	August 2023
21.	Dr. H. Manjunatha Chemistry	Development of Nano Sized Cathode Materials for Aqueous Rechargeable Sodium-Ion Batteries	Mr. K. Shiprath	September 2023
22.	Dr. Naresh Kumar Katari Chemistry	Development and Studies on Thermal Protection System for Aerospace Applications	Tanu Srivastava	October 2023
23.	Prof. N.V.S. Venugopal Chemistry	Synthesis and characterization of selected Nano pesticides by polymeric encapsulation and their Bioassay	B. Padmavathi	November 2023
24.	Prof. N.V.S. Venugopal Chemistry	Studies on the development and validation of selected phenolic compounds in fruits and vegetables using analytical techniques	N. Swathi	December 2023
25.	Dr. R.Gowri Sankar Chemistry	Designing of commercially viable alternative routes for the synthesis of active pharmaceutical ingredients and its process Related impurities	S. Adilakshmi	December 2023
26.	Dr P. V. Nagendra Kumar Chemistry	Metal and metal oxide nanocomposites for environmental and biological applications	P. Sandhya	December 2023
27.	Prof. G V R Sharma Chemistry	Studies on the Synthesis, Characterization, and Biological activities of Drugs like Heterocyclic Compounds	B. Madhavi	January 2024
28.	Dr. Bijaya Ketan Sahoo Chemistry	A Comprehensive Biophysical and Theoretical Study on the Interaction of Benzimidazole Congeners with Biomacromolecules	Banna Tanuja Safala	January 2024
29.	Dr. Sharath Babu Haridasyam	Microwave Assisted, Catalyst-Free Synthesis, of		January 2024

	Chemistry	Novel Hybrid Molecules of Indolyl-Chromeno-Pyridine, Pyrazolone, Chromeno Analogues and Their Biological Evaluations for Anti-Microbial Activity	Raghavendar Avula	
30.	Dr. P. Narayana Reddy Chemistry	Synthesis of Pyran fused heterocyclic compounds via one-pot three-component synthetic approaches	V. Malathi	January 2024
31.	Dr. Kolli Balakrishna Chemistry	Design, Synthesis and Biological Screening of Insole and Pyrimidine Based New Anticancer and Anti Microbial Agents	M. Manoj Kumar	February 2024
32.	Dr. KVN Suresh Reddy Chemistry	Fabrication of mono/bimetallic nanoparticle based electrochemical sensors for the analysis of uric acid, tertiary butyl hydroquinone and metronidazole	B Rajeswari	February 2024
33.	Dr. Rambabu Gundla Chemistry	Synthesis of chromone derivatives: methodology development and biological evaluation as prospective anticancer chemotherapeutic	Mr. Chidvilas	February 2024
34.	Dr B Purna Chandra Rao Chemistry	Chemo/Regio-Selective Synthesis Of Base-Modified Nucleoside Derivatives	S. Rajendra Prasad	February 2024
35.	Dr.T.B.Patru du Chemistry	Novel analysis methods for cleaning validation, identification and quantification of related impurities and degradation impurities in drug substances	G. Kumar	February 2024
36.	Prof. K. Vijaya Rachel Biochemistry and Bioinformatics	Studies on restriction sites of inflammatory mediator genes - il1r1, il5ra, il6ra, and tnfsf11 and their correlation to preeclampsia	Mr. Nagarjuna Sivaraj	September 2023
37.	Prof. Rama Rao Malla Biochemistry and Bioinformatics	Studies on targeting drug resistance mechanisms of TNBC with DADS, DATS and combination of TAU and IR	Mrs. M. Rakshmitha	January 2024
38.	Dr. M. Anitha Biotechnology	Evaluation of role of spermidine in thermo	Ms Anugata Lima	August 2023

		tolerance of Bombyxmori during 5th instar larval development		
39.	Dr. Nasim Akhthar Biotechnology	In vitro studies on red sandalwood (Pterocarpussantalinus L.) for micro propagation	Mrs. Tanushree Chakraborty	December 2023
40.	Dr.V.Saritha Environmental Science	Natural Coagulants: A Nature-Based Solution for the Treatment of Water and Wastewater	Manoj Kumar karnena	June 2023
41.	Prof.N.Srinivas Environmental Science	Studies on the effect of Lithium on growth, yield and accumulating capacities of selected crops	Ms.A.Gayathri	September 2023
42.	Dr.M.Seshasaye e Computer Science	Design and Development of Big Data Processing on Healthcare Data Using Machine Learning approaches	Ms.Bejjam Suvarnamukhi	October 2023
43.	Dr.M.Seshasaye e Computer Science	Machine Learning –Based Approach for Fruit Image Classification and Grading in Post-Harvesting using Multiclass Support Vector Machine	Shameem Fatima	February 2024

INDEPENDENT AUDITOR'S REPORT

To

The Management of **GITAM (Deemed to be University) of GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT (REGD No: 277 of 1980), VISAKHAPATNAM.**

Opinion

We have audited the accompanying financial statements of **GITAM (Deemed to be University) of GANDHI INSTITUTE OF TECHNOLOGY AND MANAGEMENT (REGD No. 277 of 1980) VISAKHAPATNAM**, which comprise the Balance Sheet as at 31st March 2024, the Income and Expenditure account and cash flow statement for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the **GITAM (Deemed to be University)** as at March 31, 2024 and its Surplus and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by Institute of Chartered Accountants of India. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Management is responsible for the preparation and presentation of these financial statements in accordance with generally accepted accounting principles including the Accounting Standards issued by Institute of Chartered Accountants of India, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The Management is responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

We report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the GITAM (Deemed to be University) so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Income and Expenditure, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

9. Claims not acknowledged as debts:

9.1 Dispute with M/s M.S.Ramayya Constructions (P) Ltd:

M/s.M.S.Ramayya Constructions (P) Ltd.made a claim of Rs 8250 lakhs and moved the Hon'ble High Court seeking appointment of Arbitrator to adjudicate the dispute with M/s GITAM. Hon'ble High Court has granted interim direction to issue notice to the respondent. The case is pending in the court.

9.2 Dispute on Vizag Land:

Greater Visakhapatnam Municipal corporation (GVMC) demolished part of the compound wall of GITAM Premises at Vizag. GITAM approached the Hon'ble High Court of Andhra Pradesh and court stayed any further demolition by GVMC.

9.3 Deletion from the Sec -22A of the Registration Act:

The GITAM land was erroneously categorized under Sec 22A of the Registration Act which was challenged by the GITAM under WP no. 30106/2022 in the High Court of Andhra Pradesh. The High Court directed the authorities to delete the land from the prohibited list. The matter is pending with the authorities to take action on the order of the High court.

9.4 Dispute with TSSPDCL:

Southern Power Distribution Company of Telangana State Limited (TSSPDCL) issued a "Notice under Link Service" to pay an amount of Rs 108,11,06,157. The demand was issued on GITAM as M/s VBC Ferro Alloys Limited failed to pay the dues to TSSPDCL. GITAM raised a dispute on that issue before Hon'ble High court of Telangana restraining the TSSPDCL from disconnecting the power supply to GITAM. VBC Ferro Alloys Limited entered into a settlement agreement with and settling the dues to TSSPDCL in installments.

9.5 Disputed Land at Hyderabad

Vide sale deed No. 891/2008, GITAM purchased an extent of Ac 5.03 of land in Burugupally village from Mr M. Gyaneshwar S/o.Narsimhulu. However, the Hon'ble High Court of Telangana in their combined orders in WA 711 of 2008 and WA 911 of 2008 gave judgement setting aside the above sale deed. Based on the legal advice we have filed Special Leave Petition No 11403/2023 with the Hon'ble Supreme Court of India. The petition was heard on 05-04-2023 and Hon'ble Supreme court directed to maintain the status quo on the property. No provision is envisaged as no loss is projected at this juncture.
