WELCOME NOTE

Dear Esteemed Delegates,

We are delighted to welcome you to the 6th APPSCON 2024, which will be held under the aegis of the Andhra Pradesh Pharmacologists Society (APPS) and Indian Medical Pharmacologists Association (IMPA). This conference centres on the theme 'Emerging trends in Pharmacotherapeutics and Networking', with a specific focus on advancements in exciting fields like Dermatological Therapeutics, Pharmacodynamics of cell-based therapy, Artificial Intelligence(AI) in Clinical Trials, AI in Post Graduate Teaching & Learning, Drug repurposing and Repurposing clinical trials, Medication safety in Geriatrics, Medication error reporting system in Hospital setup, Regenerative Medicine in cellular pharmacology, and Next Gen Pharmacovigilance. This conference promises to be a stimulating forum for budding pharmacologists and medical postgraduates looking towards the pharma industry along with academicians and researchers across India.

About GIMSR!

GITAM Institute of Medical Sciences & Research (GIMSR) was established in 2015 for undergraduate education and began offering postgraduate programs in 2021. GIMSR holds the distinction of being the first to be a University medical college in Andhra Pradesh. Our well-equipped department, with its team of experienced faculty, is dedicated to fostering excellence in pharmacology education and research.

About GITAM!

Gandhi Institute of Technology And Management, popularly known as GITAM (Deemed to be University), was founded in 1980 by Dr.M.V.V.S. Murthi Garu (Late), a former Parliamentarian and Philanthropist. GITAM was accredited with a prestigious A++ grade by NAAC.

Vision: GITAM will be an exceptional knowledge-driven institution advancing on a culture of honesty and compassion to make a difference to the world.

Mission: Provide a futuristic and comprehensive education according to global standards with a high level of discipline and social relevance in a calm and stimulating environment.

Andhra Pradesh Pharmacologists Society (APPS)

APPS is a teaching medical fraternity registered with the Andhra Pradesh Societies Registration Act, 2001 (Regd: 279/2018, dated July 30th, 2018). Prof (Dr) K Sankar, former Registrar at Dr NTR University of Health Sciences, presently serving at Guntur Medical College, Guntur founded this association. The society has 180 members as Life Members and is growing daily. This society has a proven record of successfully conducting a series of state and national-level conferences. The APPS goes beyond conferences to promote advancements in pharmacology and advocate for rational drug therapy, fostering collaboration between academia, industry, and clinical research professionals. Additionally, the society has demonstrated a solid commitment to supporting the next generation of Pharmacologists by financially promoting merit in medical postgraduate annual conference paper and poster presentations.
