

CONTEMPORARY METHODS IN TEACHING LANGUAGE CAN INSPIRE LEARNERS TO MAKE A BETTER SOCIETY

In recent years, contemporary teaching methods have had a significant impact on students, helping them develop the skills needed to thrive in the 21st century. The presentation will focus on some of these methods which will enable participants of the seminar to scaffold a range of learning modes and activities, aiding teachers to design lessons to meet the needs of individual students. The presentation will also cover methods to improve English language skills, adoption of technology to develop cutting edge teaching strategies, as well as techniques that promote application of academic knowledge, creativity, critical thinking and problem-solving.
